

## AIRCRAFT WANTED

**Vietnam Airlines JSC** is seeking to acquire aircraft under dry lease arrangements for its operation plan:

***Aircraft Type: Used A320/A321 Ceo/Neo equipped with P&W engines.***

***Tentative Delivery Schedule: In 2026 – 2027.***

***Preferred Lease Term (Priority will be given to shorter lease terms):***

***+ Option 1 (applicable to A320/A321 Ceo/Neo): Up to 03 years;***

***+ Option 2 (applicable to A321 Ceo/Neo): Up to 06 – 08 years.***

Principal or mandated agent capable of and interested in offering Vietnam Airlines the above-required aircraft are invited to contact:

**Fleet Development Office, Vietnam Airlines**

**E-mail:**        [lanhuynh@vietnamairlines.com](mailto:lanhuynh@vietnamairlines.com);  
                      [gjoidamquang@vietnamairlines.com](mailto:gjoidamquang@vietnamairlines.com);  
                      [myvnc@vietnamairlines.com](mailto:myvnc@vietnamairlines.com).

Interested parties should provide the following information regarding the aircraft concerned: Aircraft type and available quantity; Aircraft Specifications; Tentative Delivery Schedule; Indicative Lease Term and other relevant terms.

The airline will contact eligible respondents with further details or instructions for a potential bidding process (*related RFP is due to be issued in January 2026*).
