HOW TO USE THE PDF TIMETABLE

All data shown is property of Vietnam Airlines for informative purposes only and is subject to change at any time without prior notice. Given the flexible nature of Vietnam Airlines schedules, our PDF Timetable may not reflect the latest information.

By viewing this information, the user acknowledges that Vietnam Airlines will not be responsible or liable to the user, or any other party, for any direct or indirect damages or costs resulting from any use of this information, including without limitation of any discrepancies in the actual timings of flights and timings stated in this document.

Vietnam Airlines is under no obligation to maintain or support the service and to the extent permitted by applicable law excludes liability for direct or indirect damages in connection with the use of the service or of any data contained in this document.

Should you need the latest information regarding flights, please visit our official website at www.vietnamairlines.com or log in to our mobile app.

VALIDITY: OCTOBER 27, 2019 TO MARCH 28, 2020

STEP 1: Find page number including your desired route on page 2_Contents

STEP 2: Go to the page of your desired route. Your desired route is located on the bold row with "From ... To".

The timetable is broken up into 6 columns. For example:

Depart	Arrive	Aircraft & Class		Days	Flight no.	Travel time
From : Hanoi						HAN
To : Ho Chi Minh City						SGN
14:30	16:45	A350	CIY	1234567	VN 243 Wi-Fi	02:15
08:10	10:10	A321	CY	1234567	VN 4235*	02:05

- **HAN, SGN:** The airport codes regulated by the IATA help you to check the latest flights faster on www.vietnamairlines.com
- **Depart&Arrive:** Departure/Arrival time of the flight, shown in local time. All times are shown in a 24-hour cycle. For example, 5 am is 05:00 and 5 pm is 17:00.
If the arrival time is followed by a "+1", it means the flight arrives a day after the departure date.
Departure/Arrival time of the flight is essential as the boarding gate closes 15 minutes before scheduled time of departure. Late passengers may not be accepted for travel.
- **Aircraft:** Airplane types of the flight. This implies the aircraft's number of seats. You may refer the seat maps of some Vietnam Airlines aircraft at the end of this Timetable.
A321: Airbus A321 | A350: Airbus A350 | AT7: ATR72 | B787: Boeing 787
- **Class:** The uppercase letters following the the aircraft type show service classes available on this flight.
C = Business Class | I = Premium Economy Class | Y = Economy Class
- **Days:** The days the flight operates weekly. The days of the week are:
1 = Monday | 2 = Tuesday | 3 = Wednesday | 4 = Thursday | 5 = Friday | 6 = Saturday | 7 = Sunday
- **Flight:** The Vietnam Airlines flight number. If the flight number is followed by *, for example VN4235*, it means the flight is operated by another airline and clarified at the bottom edge of the page. If the flight is followed by the text "Wi-Fi", for example VN239 Wi-Fi, it means the flight is operated with Wi-Fi on board.
You may find out the position of your check-in counter at the departure airport and the arrival terminal through the flight number.
- **Travel time:** Choke on - Choke off time of the flight only, excluding the time travelling from boarding gate onto the aircraft and the time traveling from the aircraft to the arrival terminal.
Travel time is shown in xx hours : yy minutes, for example 5:05 means 5 hours 5 minutes and 12:50 means 12 hours 50 minutes.
