

CHECKED BAGGAGE

For health and safety reasons, each piece of baggage that is checked in must not exceed 32kg and total dimensions (width + height + depth) must not exceed 203 cm.

Important Notice:

You will be required to re-pack your bag if the weight per piece of checked baggage exceeds 32kg.

Alternatively, you may want to consider sending your baggages as cargo.
Please [contact us](#) prior to your travel.
